

Holiday Greetings:

This has been an exciting year of events where the chapter has gotten together to learn about active shooter mitigation, lessons learned from our past chairs, honored our law enforcement brethren, delved into career and resume skills, recognized our front-line security officers, and networked at various meetings over the year, culminating in our wonderful holiday party.

I'm grateful for the time spent in the leadership capacity with the chapter and will continue to volunteer as long as the chapter board will have me. I'm grateful to the many chapter members that volunteer for our special events and necessary tasks. Especially:

Jim Moore, has been our webmaster tirelessly for the last decade, thank you Jim!

Mike Banach & John Russel for their tireless efforts with LEAN each year, thank you Mike and John!

Mark Wolfheimer for his many years putting on our PSAN event, thank you Mark!

Bill Lutz, our host with the most for our wonderful, warm, holiday party, thank you Bill!

A special thanks to the current board members that have served with me this year:

John Philippi, Mike Ventiere, Fran McAnulty and newcomer Brian Jones

I wish you success and fun in 2019. The board met recently and I'm excited about the direction for next year. In this my final message, I implore the membership at large, past chairs and committee leaders to re-engage with the chapter. We need you!!

This is your industry, the chapter is a regional microcosm of every industry and security challenge and solution. Come together and share ideas, your knowledge, you won't be disappointed.

Warm regards and best wishes for a happy, healthy, safe and secure holiday season and new year!

Sam Vinicur, CPP
Out-going Chapter Chairman
